Other:

On January 27, 2003, the attorney submitted two declarations signed by the inventors. The declarations did not indicate the applicant's residence or postal addresses. As a result a notification of defective response was issued. On 21 May, 2003, the attorney responded with two declarations signed by the inventors and two copies of application data sheets. The attorney stated that when the application was submitted to the AO office 29 Mar. 2003, a copy of an application data sheet was included. He asking that he be given an acceptance date of 27 Jan. 2003 and the notification of defective response be withdrawn. The attorney never sent an application data sheet when he submitted his application on 29 Mar. 2003.
